IMPORTANT: As a condition of eligibility, all Medi-Cal beneficiaries shall assign rights to medical insurance, support, or other third-party payments to the Medi-Cal program and shall cooperate with the Department of Health Services in obtaining medical support or payments. The assignment of rights to benefits is effective only for services paid for by the Medi-Cal program. Assignment of medical rights allows the Department of Health Services to recover funds from health insurance companies or funds when the Medi-Cal program pays for medical services which should have been billed to other health insurance coverage. Please note that in order to comply with the Federal Privacy Act (42USC, Section 552a) your Social Security Number and any information you provide may be used to contact insurance companies, employers, providers of health care services, and county agencies to determine the extent of available health insurance. Under Welfare and Institutions Code, Section 14100.2, any submitted information is considered confidential and disclosed only as necessary for Medi-Cal program administration purposes.

AUTHORIZATION: "I hereby authorize the Department of Health Services to obtain, if needed, any information regarding my private health insurance coverage, including payments and/or benefits for medical care made in my behalf, which may be used in determining if the Department will pay health insurance premiums for continued coverage."
